DEVELOPER CREDENTIALS

CORN STREET, BRISTOL

Korol have extensive experience delivering tailored turnkey workplaces for businesses through a collaborative and hands on approach. In 2021, Korol partnered with Huboo Technologies, a thriving e-commerce fulfilment business, to deliver them a carefully curated fully fitted office space over 6 floors at their development on 41 Corn St, Bristol.

“From start to finish it was a pleasure to work with Korol to design and deliver our workplace, which perfectly met our needs and ensured we were set up to continue our growth strategy. It was a tight timeframe of only 4 months, but the team was able to deliver on time and budget, as well as facilitate some last-minute changes.”

Peter Edgar, CFO at Huboo Technologies
